

Ryan Kinnett

Mid Valley Soccer Club

OYSA 2021 Volunteer of the Year

Ryan started his career as a high school science teacher and now serves as the Community Education Coordinator for Linn Benton Community College. Ryan's passion for the community and for kids is always visible.

I'm not sure there is anything that Ryan hasn't volunteered to do for his club. He is a coach and referee. He paints lines on fields, moves goals, mentors' coaches, coordinates events, plans meetings, and fundraisers. You can find Ryan on the field every Saturday supporting **ALL** the teams and encouraging players and coaches. Ryan is an outstanding person and player advocate at MVSC club.

Ryan is active in his community, and he is always looking to collaborate with other organizations and thinking of ways they can support one another. Ryan will always go above and beyond doing what is technically right. Without question, he cares deeply about kids and works to help them succeed on and off the pitch. He is truly a kind, hardworking and thoughtful person!

"We are fortunate at Mid Valley Soccer Club to have a man like Ryan working with our families and players. His work reaches us all, board of directors, coaches, families, players, and staff alike. His professionalism and loyalty are without question."
